Unopened Road Allowance Application Process

-
- Step 1.* Applicants will be able to download a copy of the application from the Township website or receive a hard copy from the Township office
-
- Step 2.* The applicant is then to use the Ontario Land Property Records Portal <https://www.onland.ca/ui/> to find a map that shows the extent of the road allowance for the application (It is not necessary to buy the map).
- Alternatively, the applicant can make a booking with Township staff to do the mapping portion for them but must wait for staff availability
-
- Step 3.* The applicant then needs to contact each of the adjacent landowners and gain their agreement to establish clear boundaries for the equipment to stay within
-
- Step 4.* If the landowners do not agree or do not respond within 60 days after the 7 days the applicant has to contact the landowners their answer is assumed to be negative, and the applicant is responsible for the survey costs – at that time or if the agreement is reached earlier the Township will sign and file the agreement
