STAFF CHANGES IN COMMUNITY SERVICES DEPARTMENT

Alexandria, Ontario, September 17, 2024

The Township of North Glengarry would like to announce that Anne Leduc, Director of Community Services, will be leaving the Township to pursue her new role as Executive Director of Glengarry Inter Agency Group (GIAG).

Since 2016, Ms. Leduc has achieved a great deal in North Glengarry. From many significant projects like the Glengarry Sports Palace refurbishment, Maxville HVAC build, Alexandria Skateboard Park expansion, and the development of the Community Improvement Plan, to providing support, direction and insight in the Recreation and Economic Development departments. Anne has also provided invaluable support to many local business and organizations.

“Anne has been a cornerstone in the community and although losing her is a big change, I am pleased she is going a short distance down the road,” says Mayor Jamie MacDonald. “This presents a fantastic opportunity to increase our Township’s relations with local employers and economic opportunities.”

Anne’s departure is one of several recent staffing changes. “We are in a time of change with staff including retirements and others moving on to new positions,” says CAO Sarah Huskinson. “These present opportunities for growth for our staff team, as well as expanding our depth and breadth of knowledge with new additions. We are excited about these changes, and the fresh perspectives and ideas coming to us to revamp Township services and programming.”

The Township would like to thank Anne for her dedication and hard work here in North Glengarry, and wish her all the best in her new chapter at GIAG. The Township will be posting the position for Director of Community Services in the near future at www.northglengarry.ca.
